Notification of Intention to Engage with a QA Services Advisor - Natural Gas

Israel Natural Gas Lines ("INGL") hereby notifies of its intention to engage with a QA Services Advisor for the provision of advisory services relating to the manufacture of pipes and pressure reduction stations required for the Israeli natural gas high-pressure transmission system according to the NEN 3650 standard and ancillary matters. Anyone who claims to be able to provide the above-mentioned services to the INGL, please approach INGL, all as detailed in INGL's website:

www.ingl.co.il under "Tenders".
